# Local Healthwatch funding 2024-25

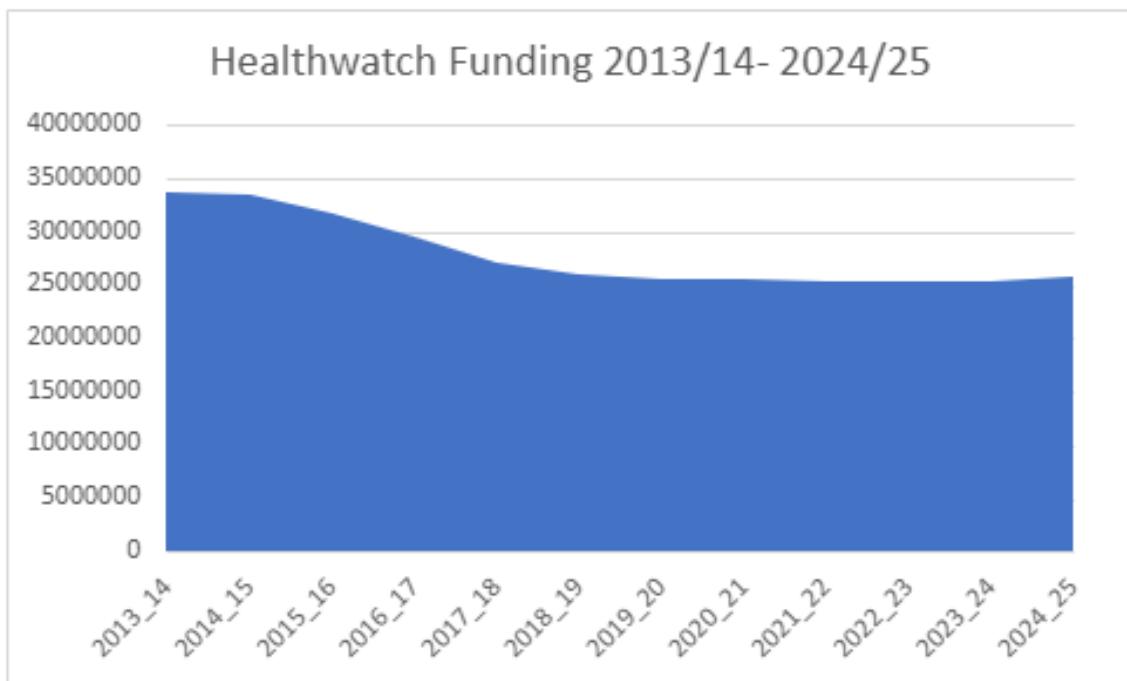

## Background

Since 2013, local authorities have commissioned and funded local Healthwatch to deliver their statutory functions<sup>1</sup>.

Funding for local Healthwatch is from two sources: The Local Reform and Community Voices (LRCV) grant and through the local government finance settlement, overseen by the Ministry of, Housing, Local Government and Communities.

Each year, at the request of the Department of Health and Social Care, we ask local Healthwatch how much funding they expect to receive.

Figure 1 shows funding for Healthwatch since they were set up in 2013.

## Key findings

The budget in 2024-25 was 43% of what it was in 2013-14 in real terms.

- 112 Healthwatch saw no change in their funding between 2023-24 and 2024-25
- 35 Healthwatch saw an increase in funding of over £1,000 (Median of £7,580)
- 6 Healthwatch (4%) saw a cut in funding of over £1,000
